Teachers' Examination.

The end of the war is not far off, as the niggers are not making much of a stand, and I think this affair will, be settled in a month or two. Lawton's expedition is proving very successful and has accomplished a good deal.

The Harbor, who was shot Feb. 5, is able to hobble about and I just saw him, He said he was going to have the bullet cut out this morning. He looks well for a man who was shot through the stomach with a brass-coated Reministen.

Colonel Wants Reorganization of Reorganized Committee.

WOES OF THE GOLDBUGS

LEAGUE MACHINE TOO FRIEND LY TO ARTHUR BROWN.

Great Rumpus Raised Over the Ap pointment of the New Gold Standard Committee-Local Followers of Hanna and Alger In Great Tribulation-Bartch an Issue.

The committee appointed some time ago to reorganize the League of Republican clubs in the state has stubbed ts collective toe right at the outse Those on the inside are claiming that I Am P. H. Launan caused the stum-ble, P. H. doesn't like the personnel of the reorganization committee. He thinks its members are altogether too friendly to his ancient enemy, Senator

thinks its members are friendly to his ancient enemy, Senator friendly to his ancient enemy, Senator friendly to his ancient enemy, Senator arthur Brown.

"Colonel" Lannan doesn't like Senator Brown a little bit, and it is hinted that he had hoped to use the league as a club with which to beat down a few federal plums for himself and his friends. With Senator Brown in the saddle, "the widely known editor" would be like the poor boy at the froits or a one-logged man in a high-kicking match. If the league is to be a Brown machine, instead of a Lannan machine, the "colonel" and his immediate push won't have even a "look-in" when the distribution of ple begins.

P. H. knows that all this is true, and therefore he is said to be using all the pulls in his power to have the committee reorganized. If it isn't, he'll balk squarely on the whole business. If it is, Senator Brown will balk so the way of that committee promises to be strewn of the committee promises to

There is yet another factor in the fight. Chief Justice Bartch has been casting the longingest kind of longing eyes at a plum that hasn't even bloomed yet. That is the proposed United States judgeship for the Tenth district, which hasn't been created yet. Bartch wants it mighty bad, though, and his application, coupled with 'Colonel' Lannan's endorsement, is already on file in Washington.

Senator Brown has a knife ground to a raror edge for Judge Bartch. Up to a few short years ago Bartch and Brown were as thick as peas in a pod. One bright morning, though, Bartch went to Washington with 'Colonel' Lannan and George Q. Cannon to invite President McKinler to the Jubilee celebration of 1837. What kind of love potion was used by "Colonel" Lannan on that occasion history does not record. At any rate, ever since then Judge Bartch has been devotedly attached to "the widely known editor."

What Senator Brown will do to Bartch is going to be an elegant sufficiency just as soon as the chance comes. He will prevent the "league" from supporting the chief justice if he possibly can. So even the appointment of the reorganization committee is not too trivial to cause a quarrel between the senator and the "colonel," for they are watching each other with cager inter-

In the meanwhile Arthur Thomas is reported to be looking on, wringing his hands helplessly and weeping large and sorrowful tears.

Next Monday. ratic women's day at Saltair next Monday continues to grow in mag-nitude. That it will be one of the big-best days of the season at the big-sort seems now assured. to make the mail arrangements for the outling.

Most elaborate plans for the occasion have been made and a very attractive programme arranged. Both Judge King and Judge Powers have signified their intention to be present, and both will probably make brief speeches. There will also be talks by other well-known Democratic orators.
